Dear Mr. Blake:

On July 16, 2014, the Bureau of Land Management (BLM) received notice that the Utah Division of Oil Gas and Mining (UDOGM) was requesting the full release of the reclamation surety held by your office for Northern Stone Supply's Limelite Green Quarry, located in T. 10 N., R. 16 W., Section 2, Box Elder County.

On August 6, 2014, BLM staff conducted an inspection of the site and determined that the vegetation has successfully re-established and the reclamation is satisfactory. The BLM therefore concurs with the UDOGM on the full release of the reclamation surety.

If you have any questions, or require additional information, please contact Larry Garahana at (801) 977-4371.

Sincerely,

Rebecca A. Hotze
Field Manager
